MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM: Director, Office of External Affairs

SUBJECT: February 3rd Meeting with American Newsday Publishers  
Association FOIA Working Group

As I mentioned at the staff meeting this morning, I have completed arrangements for the above group comprising of some six people to meet here at the Agency at 11:00 a.m. through lunch and as long thereafter as necessary to discuss our problems with FOIA and our need for complete exemption. I think it is critical for both of you to be present for at least a part of this meeting. I would also appreciate your thoughts about who else should attend from the Agency. Obviously, someone from OGC and the head of FOIA should be there.
